

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION

GRADUAL TAYLOR,	:	CASE NO. C-1-02-446
Plaintiff,	:	(Judge Weber)
v.	:	(Magistrate Black)
CHERYL HART,	:	<u>POLICE OFFICER CHERYL</u>
Defendant.	:	<u>HART'S REPLY MEMORANDUM</u>
		<u>IN SUPPORT OF MOTION FOR</u>
		<u>PARTIAL SUMMARY JUDGMENT</u>

The ground for Police Officer Hart's motion for partial summary judgment is that the plaintiff did not state or prove a federal malicious prosecution claim against Officer Hart upon which relief can be granted. Furthermore, even assuming *arguendo* that the plaintiff had stated a federal malicious prosecution claim against Officer Hart, or created a genuine issue of material fact in support of that claim, the claim is nevertheless barred by the statute of limitations.

Plaintiff's memorandum in opposition does not refute the grounds for Officer Hart's motion for partial summary judgment. She was not involved in the decision to prosecute the plaintiff. Under the authority cited in Officer Hart's motion, and the uncontroverted facts established by her affidavit and the plaintiff's deposition, Officer Hart cannot be sued for alleged malicious prosecution. Furthermore, Officer Hart completed a criminal complaint form against the plaintiff more than two years prior to the filing of the case at bar. The claim is barred by the statute of limitations. There are no genuine issues of material fact. Officer Hart's motion for partial summary judgment is meritorious and should be granted and the complaint against her should be dismissed.

Respectfully submitted
